Presents

Sophisticated designer YARNS...

For the Beginner or the most Experienced knitter or one who crochets, you will enJOY these fibers. Use these luxurious hand-painted yarns in your designs to achieve one of a kind pieces just like the big designers!

We currently have in stock:

- **Beaded Silk:**
Spun Silk is twisted with a silk strand of glass beads to create this jewel like yarn. A perfect fiber to also trim a garment
- **Mohair Silk Glitter:**
Kid Mohair has been twisted with an ever-so-fine strand of an incredibly soft gold or silver metallic. A subtle transformation of mohair makes it positively glisten as if it were covered in dewdrops.
- **Ultramerino 4:**
This glorious fingering weight yarn feels like cotton yet is 100% Merino Wool...great for socks!

Additional fibers and colors to come

Let's find a pattern & get started knitting or crocheting!
